March 2008

March 31st will mark the end of our fiscal year and what a year it was!

We exceeded our income goal of \$250,000!

As we look back we have much to celebrate!

Fred praying with guys in prison

- We have been able to stay true to the mission and vision that God laid upon the heart of our Founder, Fred Peterson.
- We increased the number of men we ministered to on a weekly basis by 360%.
- We added an Alcoholics Victorious support group and a weekly (Community Bible Study) CBS.

- Our Thursday evening fellowship grew from an average of 10 to a current average of 24 guys.

- We finished the expansion of our building and added a Computer Lab and an apartment for our now full-time Program Director, George Lang.

Computer Class at FreedomWorks

Those are just a few of our highlights but we'd like to invite you to join us on Tuesday, April 22, 2008 at the Hopkins Center for the Arts to hear more.

George in his apartment

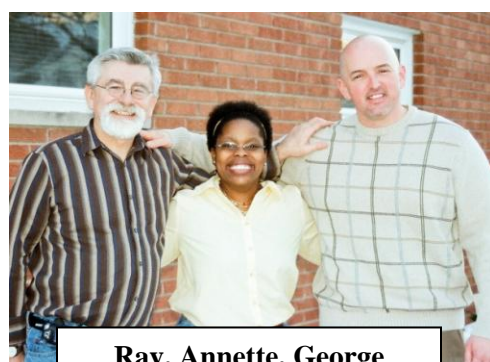

Not only will we celebrate what God has to the future of FreedomWorks. Our

keynote speaker will be Paul Ridgeway. Paul has organized visits to Minneapolis President Mikhail Gorbechev, President Bill Clinton and Israel Prime Minister Ehud Barak. If you have watched the Super Bowl or attended a local gala, you've probably experienced the work of Paul Ridgeway. Now you will have the opportunity to meet this man face to face as he talks about his work, his experience, his faith and his passion for post prison outreach. Please see insert.

You won't want to miss this opportunity! Call Annette at 612-522-9007 for more information or to reserve a spot.

Sincerely,

Ray Cole
