Celebration of Service

In June we honored our founders, **Fred and Dorothy Peterson**, for their years of service and for the many lives that they have touched. Over sixty individuals, churches and vendors helped to make this event a great success!

Fishing Event

In July, we had a total of 61 men spend the day together on Lake Minnetonka. Nineteen of these men were boat hosts who donated not only their time, but also the use of their boats. The guys got to spend the day bonding with their mentors out on the lake. We had a great barbecue and gave out several prizes for the fishing contests. It truly was a wonderful day, filled with **fun, fellowship and connections.**

Reuniting Families

One very important part of our mission is to reunite families. One of our graduates, David T., will soon be leaving us and returning to South Dakota where his 13 year old son lives. We provided David with a van and furniture to help him start this new life as a full-time father to his son. **Please keep David in your prayers** as he seeks to be the man and the parent that God would have him be.

We'll miss you, Dave. Go with God's peace and blessing!

Our Mission

To provide reentry services on behalf of former prisoners and their families, leading to full integration into society as productive citizens and disciples of Jesus Christ, resulting in a reduced rate of recidivism.

Your support enables us to provide these vital services, which empower men like David, Matt & Curtis to become disciples of the Lord Jesus Christ. Thank you!
